

A Club for All Seasons

Summer or winter there's always something new happening at Shepparton Park.

The club caters for bowlers on three of the finest grass greens in the City of Greater Shepparton.

Brilliant lighting enables bowlers to enjoy their game both day and night. The club hosts six men's and four ladies' pennant sides along with a growing number of well patronised open competitions catering for Social, Night Pennant and a popular Corporate competition during the warmer months.

The club conducts a growing number of most successful tournaments throughout the year as well as numerous social events for members and visitors alike.

By prior arrangement with the club, Corporate groups and Social clubs are made most welcome and members are happy to assist them to enjoy an introductory social day or evening to learn about the game of bowls.

class accommodation

The Place Where Good Friends Meet

A New Beginning

Opened in March 2006 Shepparton Park Bowling Club is the most modern club in the Goulburn Valley region.

Through the amalgamation of the former Shepparton and Kialla Park Bowling Clubs, brought about by a \$2.6M relocation package from the City of Greater Shepparton, the newly formed club now boasts one of the best bowling club facilities in Victoria. Further expansion is already at the feasibility stage. This in depth study is for a proposed international standard Indoor Bowls Centre. Shepparton Park Bowling Club has a truly bright future, and one which is the envy of bowling clubs throughout Australia.

Indoor Bowls

The Shepparton Park Bowls Club is the prime venue for indoor bowls within the Goulburn Valley region. With the space for ten full sized mats, it is by far the largest venue available. Night pennant competition commences in late April each year and new members are most welcome.

The Very Best Facilities

Our new facilities are second to none. Bright and spacious, with seating for over 250 patrons, the main clubroom is supplemented by a comfortable members bar overlooking the greens. State of the art bar and kitchen facilities enable the club to hold any kind of function with ease.

Shepparton Park Bowls Club is very conveniently located at the Kialla Recreation Reserve approx 3 km south of the Post Office. Turn right off the Goulburn Valley Highway into Ratery Road, then the first right into the reserve. Ample parking for cars, buses and caravans is available.
