#### IMPORTANT NOTICE

#### TO ALL BOWLERS

#### CARE OF THE ROSE GREEN

To help reduce the bird droppings on  
 the Rose Green carpet, covers have  
 been placed to limit the problem, and,  
 to reduce the many hours required to  
 sweep and clean the carpet.  
 Until a more permanent solution can  
 be found your co-operation is essential.

**No matter what time of day, or  
 night, the last rink to play MUST  
 replace the covers.**

Note: Hot mid afternoons are the worst  
 time for birds roosting. Please give the  
 greens staff your co-operation.

**Thank you for your assistance.**
