ONGOING BOWLS

Hopefully, at some stage in the not too distant future we will be able to recommence our ever popular

Thursday Pairs.

Open 2 X 2 Pairs

2 games of 12 ends.

Commences 10.30am

Not too sure what the lunch

arrangements will be at this stage, but, it may well be BYO lunch.

The price will be dependent on whether, or not, lunch is provided. Stay tuned.

ANNUAL SUBSCRIPTIONS

With the ongoing Covid situation we, like every club, have virtually zero cash flow, even though expenses and costs continue.

We thank all those members who have paid their subs in a timely manner. This helps the club enormously.

There are still some subs outstanding, and, we ask all of those members to pay their subs ASAP.

Subs must be paid by October 23rd. You will not be eligible for pennant selection, or, participating in club games or competitions.

EQUIPMENT

Over the past 2 months we have had installed a new telephone system in the clubhouse. The old one was believed to be many years old and the control box had ceased operating.

We have also purchased new laptops for the secretary and treasurer. The old laptops were still

running on Windows 7 and there was no longer any support or service on them.

GREENS MATTERS

Our grass greens, and the Rose Green are NOT available for use before 11am on Monday and Friday.

This is to enable our hardworking greens staff to perform maintenance and upkeep on them.

The carpet has to be vacuumed and blown off to remove bird droppings, dirt, leaves, etc.

The grass greens must be mowed, rolled have the lines marked and to allow essential work to be undertaken.

Please respect this timing as our workers cannot work safely around people playing bowls.

The club spends a lot of money looking after 2 grass greens and we urge all bowlers to use them if at all possible as nearly all pennant is played on grass.

We are also going to purchase a new self propelled Honda mower for our surrounds. The existing one is hard to push, and, we hope to make the work a bit easier for our volunteers.

BOWLS VICTORIA

As of 6pm on Friday September 29th we have no advice from Bowls Victoria regarding the Victorian Open and bowls in this region. They have been having discussions with the Victorian Health Department, but, there is no details yet.

MOWING ROSTER

On the reverse is the lawn mowing roster for our surrounds.

We thank everyone who has put their hand up to help to keep our gardens looking great.

PENNANT

The upcoming pennant season has been pushed back 2 weeks already. However, since the new 'roadmap' last Sunday it will be most likely delayed a bit longer.

We are also unable to schedule a club opening day at this stage. A planned meeting of all Midweek bowlers likely to be affected by travel to Alexandra, Yea and Eildon could not be held due to our current restrictions.

We will try to hold this meeting ASAP, but, restrictions on numbers also make this difficult.

Pennant training will commence on September 27th at 4pm for Midweek bowlers.

Weekend pennant training will be on Tuesday and Thursday from 4 to 6 pm. Please endeavour to attend at least 1 session per week.

It is also compulsory to sign in with QR code or on paper.

No more than 4 per rink and spread across the greens. Masks are also compulsory.

Sorry about all the do's and don'ts but unfortunately that is the way things are.

Entry forms for all club, State and 60 & over events are on the large notice board in the foyer.

At this time we have no advice on whether the Victorian Open will proceed. It does appear unlikely.

CGM and CLUB BOOKLETS

The booklets and membership cards are now available for collection in the clubrooms. I am sorry to report

that they are out of date already due to unavoidable date changes because of Covid.

Please do not take the printed dates in the books as correct. Check for yourself.
